

A message from Benjamin Haywood General Manager, Water Polo WA Inc.

The 2017/18 Water Polo season is upon us and with the Sun Smart Junior Competition starting tonight, the Premier League Conference Competition starting on Saturday, the State Senior League and Masters also starting in the coming weeks, I wanted to take this opportunity to wish all clubs, coaches, players, referees, volunteers, administrators, parents and supporters the best of luck for the year.

Our Clubs are the lifeblood of our game, underpinning its health and the success of the elite Water Polo competition. Water Polo clubs introduce new people to the game and nurtures their sustained involvement. It generates new fans and supporters of our sport, and it develops the players, coaches, referees and administrators who will take our game into the future.

We understand the role that Water Polo WA must play, along with our clubs, to ensure that we make Water Polo the most enjoyable team sport in Western Australia.

Good luck to you all and thank you for the role that you play in making Water Polo the sport it is.

Benjamin Haywood
General Manager, Water Polo WA Inc.
